WRITTEN NOMINATION

The Choose Ohio First STEM Scholarship Program is funded by the State of Ohio as part of the state's strategic effort to strengthen Ohio's position in world markets by strengthening technical skills in the Ohio workforce. STEM Scholars at Baldwin Wallace University receive financial, academic, and social support as well as learn how to build strong social networks, engage with business leaders, and explore concepts like creativity, innovation, and entrepreneurship. Students are required each semester to meet with a STEM Coach, attend mandatory events, and maintain Good Academic Standing. All of these activities focus on student retention and personal/professional development.

Please respond to the following: Why do you believe that BW's STEM Scholars program would have a positive impact on the applicant's decision to attend college, as well as have a positive impact on his or her desire and capacity to complete a degree in in a STEM field? Please include your answer within the space below.
