

First Destination Report: Class of 2024

The Career Center surveyed **620** undergraduate degree candidates for the Class of 2024 (December 2023 and May 2024) to ascertain their post-graduation plans. **374** responses were collected, resulting in a **60%** knowledge rate.

<u>Results</u>	2024 Percentages*	2024 Numbers
Working	64%	240
Graduate School/Continuing Education	33%	122
Military or Volunteering (2)	0%	2
Career Outcome Rate**	97%	364
Total Still Seeking Employment	2%	7
Not Seeking Employment	1%	3
Excluded from Career Outcome Rate	3%	10
Knowledge Rate	60%	374
No Information Available	40%	246
Total Graduates	100%	620

*Numbers were rounded to the nearest whole percentage.

**The Career Outcome Rate is calculated from the percentage of students who are either employed, continuing their education, pursuing military service, or volunteer work within six months after graduation.
